It is so easy to get rid of pimples and blackbeads with Resinol, and it costs so little, too, that anyone whose face is disfigured by these pests is foolish to keep on with useless creams, washes or complicated "beauty treatments." Here is the way to do it:

Bathe your face for several minutes with Resinol Soap and hot water, then apply a little Resinol Cintment very gently. Let this stay on ten minutes. and wash off with Resinol Soap and more hot water, finishing with a dash of cold water to close the pores. Do this every morning and evening, and you will be surprised to see how quickly the healing, antiseptic Resincl balsams soothe and cleanse the pores, leaving the complexion clear and vel-

CAMERON MAY RUN FOR GOVERNORSHIP

Last Territorial Delegate From Arizona in Congress May Be Repub-lican Candidate.

Phoenix, Ariz, Nov. 18.-Ralph Cameon's boom for the governorship is a uzzling development in the Arizona political situation to Democratic and Progressive" politicians.

Cameron, who was the last territorial delegate in congress, lives in Phoenix now, but the first news of his candidacy came from Bisbee, where he went on a business trip. It is said that he generally admitted in Cochise county that he hopes to be nominated for governor by the Republicans.

Democrats and "Progressives" at first they couldn't see why he should want Republican nomination for anything. But standput Republicans insist on taking Cameron seriously. The only Republican daily in the state, published at Prescott, ran a page article setting forth Cameron's qualifications for the

It may be that the Republicans intend to boom tim for governor thus far in advance of the next election hoping that he will lemonstrate sufficient strength that he will be the logical man to head a com-"Progressive" and Republican
